Forecast for Monday 09 Aug 2021

Weather: Any low cloud and mist soon lifting and clearing this morning with bright or sunny spells developing. Dry across much of the area, but a few well scattered heavy showers possible in the afternoon and early evening, any showers most likely through the Trossachs.

Chance of cloud free mountain/hill tops above 800m: 40% rising to 90% in the afternoon.

Visibility: Mainly very good, but moderate or poor in heavy showers and any early mist and low cloud. Occasional or extensive cloud, well down at first with base 600m or less, but lifting and breaking above the summits in the afternoon, although lowering onto the tops in any showers.
